

Just for Teachers!

School Accounts

At Fearn, Goodwin, Schneider, and Jewel, licensed teachers and school library assistants approved by their principal may check out up to 50 Messenger-owned items for use within the classroom. This service allows eight week checkout for most materials. See a YSD staff member for expectations and guidelines.

Call Ahead Checkout

We can pull a selection of books and DVDs for you with a two day notice. Call the Youth Services Department at 630-801-4340 or email us at YSD@messengerpl.org to request the pick-up of a loan. Just visit the library to pick up your items and check them out with your personal or school accounts library card.

Class Visits

We can visit your classroom to talk about public libraries, present a storytime, give booktalks to highlight suggested titles, or demonstrate online research databases or ebooks.

Resource Lists

We can create brochures of recommended books and online resources on the topic of your choosing.

Assignment Alert

Send us information about projects so we can better help your students find everything they need. Call or email us at YSD@messengerpl.org with the grade and project topics or instruction handout, or fill out the Teacher Outreach Online Request Form at bit.ly/mplforteachers.

Library Tours

Bring your class to visit the library! We can tour the library, talk about getting a library card, present stories, recommend books, introduce research topics, or design a visit to suit your class needs!

Multimedia Kits / Buddy Bags

Our Lewis & Clark and Lincoln kits are full of books, media, and objects on a variety of historical subjects. Buddy Bags have fiction and nonfiction books and DVDs on a topic for Pre-School or Elementary ages.
